

AI RECEPTIONIST FOR MED SPAS

Never miss another *booking.*

An AI receptionist that answers every WhatsApp message and phone call,
checks your calendar, and books the appointment on its own.

Prepared for Dubai med spas and aesthetic clinics

THE PROBLEM

You're not losing clients on service. You're losing them on the phone.

Your front desk is excellent when they're free. The problem is they're rarely free, and every unanswered call is a client who books somewhere else within minutes.

62%

of salon and spa calls go
unanswered

85%

of callers who can't reach you
never call back, they call a
competitor instead

AED
475K+

lost annually from just 3 missed
calls a day at an average med
spa

AED 29K+

value, per missed relationship

THE SOLUTION

An AI receptionist that never misses a call.

Answers instantly, has a real conversation, checks availability, and books the appointment automatically, across the two channels your clients actually use.

01

Answers instantly, day or night

Every WhatsApp message and phone call gets an immediate, natural response, no hold music, no missed calls.

02

Understands what's being asked

Recognises the service requested, asks natural follow-up questions, and never sounds scripted.

03

Checks your calendar live

Offers only real, open slots, no double-bookings, no manual back-and-forth.

04

Books and confirms on its own

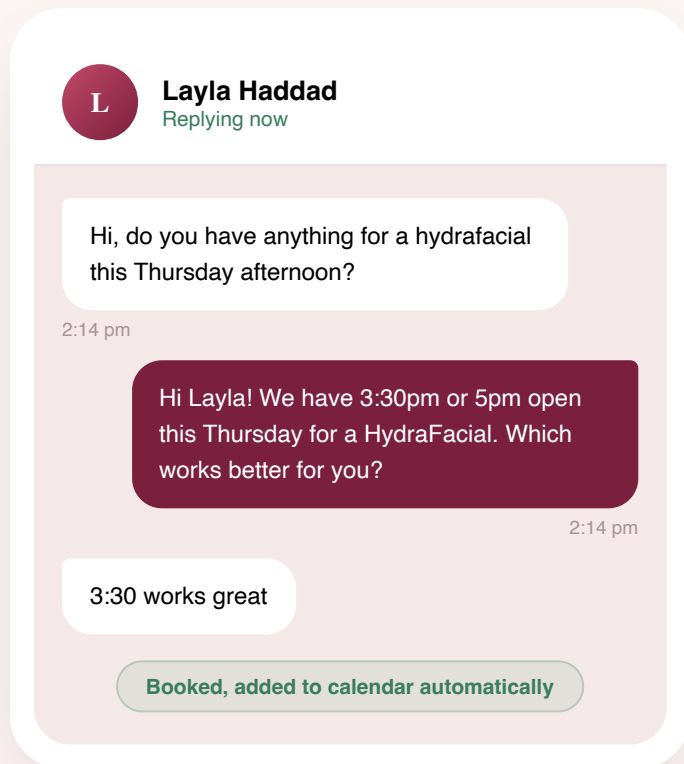

The appointment lands on your calendar the moment it's agreed, with zero manual entry.

HOW IT WORKS

Fits into how you already run your front desk.

Whatever you book on today, this connects to it. No new software to learn.

01 A message or call comes in WhatsApp or phone, picked up instantly, any time of day.	02 A real conversation happens Natural, warm, never robotic. Understands context and asks the right questions.	03 Live availability check Only real open slots are offered, drawn straight from your calendar.	04 Booked and confirmed The appointment is added automatically, no one has to lift a finger.

SAMPLE INTERACTION

A WhatsApp enquiry, handled start to finish.

No wait, no back-and-forth over hours. The client gets a real answer in seconds, and the booking lands on the calendar without anyone touching a keyboard.

SAMPLE INTERACTION

A phone call, answered like your best receptionist.

Natural conversation, real pricing information, and a booked appointment before the caller even hangs up.

Inbound call

Lip filler enquiry

CALLER Hi, I wanted to ask about lip filler pricing and if you have anything this weekend.

AI Of course! Our lip filler starts from AED 1,200 depending on the volume. For this weekend I have Saturday at 1pm or Sunday at 11am open. Would either work?

CALLER Saturday 1pm is perfect.

Booked Saturday 1:00pm, confirmation sent by SMS

INVESTMENT

Simple, transparent pricing.

One-time setup to build and test, then a flat monthly fee to keep it running and improving. No long-term contracts.
